## 5-Star Washington Financial Bank Banking on a Better Future, Together

**Washington, Pennsylvania - June 2025:** **BauerFinancial, Inc., the Nation's Premier Bank Rating Firm**, is pleased to acknowledge **Washington Financial Bank, Washington, PA**, for its continued **Recommended Status (5-Stars or 4-Stars)**. June 2025 marks the 143<sup>rd</sup> consecutive quarter that Washington Financial Bank has earned this distinction. This latest rating is based on March 31, 2025 financial data and signifies that Washington Financial Bank continues to be one of the ***strongest banks in the nation***.

"Community bankers are typically the best positioned to understand and quantify local markets and needs," asserts Karen L. Dorway, president of BauerFinancial. "This includes real estate market values and fluctuations, small business needs (and impediments), and even how consumers are faring personally in their corner of the country. This makes perfect sense," Dorway continues. "Community bankers live in your neighborhood, which means they can provide faster, personalized service. They also serve a smaller, more defined market area than bigger banks. No need for red tape, just results – from one neighbor to another."

Washington Financial Bank has been taking pride in its contribution to the local betterment since its inception in 1899. Washington Financial Bank is not just a bank; it is where you can find your neighbors and friends, willing and able to bank on a better future, with you.
