Allen - here we come!

In 2017, we changed our charter to become a state-chartered credit union. This change prepared us for expansion into other markets in Texas. We are excited to announce that our plans are underway to open a new location in Allen, TX by early 2019.

MCCU Street Sign in Allen, TX

My Community is already establishing itself in the Allen community by joining the local Chamber of Commerce, attending events and networking with key leaders and business owners. Additionally, MCCU has partnered with local dealerships in the Collin County market to participate in our Indirect Lending program, which allows people to apply for an auto loan at the dealership.

The Allen community is excited to welcome us, and we feel like this is a perfect fit for our credit union and the purpose we have set forth in West Texas. Our credit union "headquarters" will remain in Midland, TX and our executive team will continue to lead from this office.

MCCU is so proud of our membership and your loyalty and commitment to our excellence in the Permian Basin. We feel confident the standards that have set us apart here will help in our successful entry into this new community. As always, MCCU is proud to serve the community by serving the men and women who make it great. Here's to many new financial success stories!
