OUR CEO**

Hello and Happy New Year. This year, 2024, marks the 70th anniversary of FAA Federal Credit Union and we are thrilled to celebrate with you, our members. From the small space on the FAA grounds in 1954, to our current six branches, FAA Federal Credit Union has experienced many changes and significant growth. As part of our celebration, we will be offering special promotions throughout the year. Be sure to watch for these exciting offers. We value each and every one of our members. Thank you for your trust and membership.

Sincerely,

Angie Vajdak, CEO

FAA Federal Credit Union

**We Are
Sweet On
You**

Love is in the air and we're sharing it with you! Not only did we recently lower our Auto Loan rates, but we've now got another treat for you. When you finance or refinance your Auto Loan with us, you will get to delay your first payment for 70 days. Why 70 days? It's our 70th Anniversary year and we're passing along benefits in honor of our celebration.

Go ahead, get your sweetheart, and let cupid guide you straight to your closest credit union branch! One of our helpful loan officers will assist you every step of the way.

*loans subject to credit approval; certain restrictions apply; refinances do not apply to existing FAA FCU auto loans
