

Bright Horizons Award *sponsored by Horizons North Credit Union*

Purpose and Program Structure

Help Horizons North Credit Union spread the word about the essential work and amazing things happening within the Adams 12 Five Star Schools District! We'd like to encourage everyone in our community to share their stories and points of pride about their school or a specific team member that has made a difference. The last few months have been a learning experience for everyone! This is your chance to give a shout-out to the team or person that has been there for kiddos; in-person or virtually! The goals and milestones will be posted on the HNCU website and social media sites to **help increase community awareness of the good things happening within Adams 12 Five Star Schools.**

Prize

Entries received by the 15th of the month will be entered into a monthly drawing. A random school will be selected to win a Keurig coffee maker w/ accessories for their breakroom. The drawing will be held monthly and will run through the end of the school year. We will move the drawing as need for breaks or schedule changes. All the non-winning entries will be included in each monthly drawing until end of the school year.
