

Account Description	
<b>Kasasa Cash®:</b>	A free, variable rate share draft account with no minimum balance that rewards accountholders with dividends and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.
Allegius Credit Union's Expectations	
<b>Purpose &amp; Expected Use:</b>	<p>This account is intended to be the accountholder's primary share draft account in which payroll transactions and <u>day-to-day</u> spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle <u>are not</u> considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and <u>will not</u> count toward earning the account's rewards.</p> <p>Allegius Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. An Allegius Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash account, any optional add-on products / services associated with this account will also be terminated at the same time.</p>
Dividend Rate & Annual Percentage Yield	
<b>Compounding &amp; Crediting:</b>	Dividends will be compounded on a monthly basis. Dividends will be credited to your account on the last day of the current Statement Cycle. If you close your account before the dividends are credited, you will not receive the accrued dividends. Dividends begin(s) to accrue on the Business Day you deposit noncash items (for example, checks). "Business Day" means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.
<b>Balance Computation Method:</b>	We use the average daily balance method to calculate the dividends on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.
<b>Dividend Rate &amp; Annual Percentage Yield:</b>	When your Kasasa Cash account qualifications <u>are met</u> during a Monthly Qualification Cycle, Tier 1: A dividend rate of 2.03% will be paid on the portion of your average daily balance that is less than or equal to \$5,000. The annual percentage yield for this tier is 2.05%. Tier 2: A dividend rate of 0.10% will be paid on the portion of your average daily balance that is greater than \$5,000. The annual percentage yield for this tier will range from 2.05% to 0.19%, depending on the balance in the account. When your Kasasa Cash account qualifications <u>are not met</u> , the dividend rate paid on the entire balance will be 0.01% with an annual percentage yield of 0.01%.
