RENTAL ARRANGEMENTS

Who Can Rent The Room?

Claremont Savings Bank is committed to fostering financial success and economic vitality in the communities it serves and enriching the quality of life for its customers. To honor this commitment, the Bank has created a community room to be used for meetings and functions of Sullivan County non-profit agencies, civic and governmental entities, and businesses. As a general guideline, the room is not intended to be used for religious services, political rallies, or private events such as weddings, baby showers, dances, or parties. The room may be used, however, for such events as Chamber of Commerce meetings, a business seminar, or business trainings. The Bank will review each application on a case-by-case basis to determine the intended use and expressly reserves the right in its sole discretion to approve or disapprove any rental application.

Application: You are required to complete and submit an application before your scheduled event for each meeting scheduled.

Reservations: **The Community Room is available Monday - Friday 8:00 am - 5:00 pm.**

Arrangements to rent the room shall be made at least one week in advance and may not be made more than 90 days in advance. Reservations for dates are made through Molly DeLuca by calling by 603-690-2713 or Toll Free at 800-992-0316 or by email at mdeluca@claremontsavings.com.

Set-Up: You will be responsible to arrange the tables and chairs in the community room. When scheduling your event, please include the time frame in which it will take you to arrange the room and to clean up after the event. If you have excessive garbage, i.e.: large pizza boxes, etc. - Please remove your rubbish from the building upon departure.

Parking: There is **no** parking allowed in the immediate parking spaces next to the building; these are reserved for the Bank's customers. You are responsible to inform the members of your function about the parking allowances. Please see Page 3 – Parking Allowances/Map/Guide

Responsibility: The leader of the group is **required** to sign in at the receptionist desk for security purposes.

Supplies: Organizations must bring their own paper goods, food, and beverages. If you are having food delivered for your event, you **must** meet the delivery person in the entryway to the Bank; it is not the responsibility of our receptionist to locate a member of your group to make arrangements.

Employee Kitchen: Please advise your attendees that the employee lounge/kitchen is for CSB employee use only. Caterers may not use the kitchen. There are two vending machines in the kitchen that attendees may use. Typically the room is in a "U" shape, but please be aware that the rental parties are required to set up the room in the manner of their choice.

Responsible for Damage: Immediately following the rental, the room will be inspected by Claremont Savings Bank.
