Winter 2020

Happy New Year
2021

Message from our CEO, Pierre Cardenas

Happy New Year Capitol Credit Union Members! As Barry Manilow would say, "Looks like we made it!" If you are reading this article, you made it through 2020. Congratulations! It was a wild ride with a gamut of emotions filled with fear, doubt, uncertainty, and confusion. We all witnessed riots, elections, conflicting viewpoints, economic upheaval, topped off with a worldwide virus. Now that is a good reason to be thankful when we say, "looks like we made it!"

Capitol Credit Union was able to make it through all the chaos and we ended up having a great year. We were also one of the first Credit Unions to open our branch doors for daily member access amidst a lot of restrictions. We kept our employees safe while ensuring our Members had access to handle their finances by expanding our call center and remote operations staff, emphasizing the importance of expanding our digital banking system. While it was a tough year, we made it through and learned a lot! We are looking forward to further advancing our remote delivery channels in making it easier for you to do your banking with us. We were here for you in 2020 and will be here for you in 2021 and beyond.

The Best Is Yet To Come!

Pierre Cardenas

Advice for When Buying a New Car

Making the decision to buy a new or used vehicle can be an exciting, but also daunting, task. Capitol Credit Union is here to help you through the process to get you behind the wheel of a new ride. Here are some helpful tips from CCU to assist you in your next car-buying process.

1. Do Your Research

The most important thing you can do before visiting the dealer is to research the vehicle you wish to buy and decide how much you can afford to spend. Keep in mind that the price the dealer advertised does not include tax, title, and license, or any ancillary products you may wish to purchase. To get the best price, shop around and compare similar units from multiple dealerships.

2. Get Pre-approved at Capitol Credit Union

Before going to the dealership, get pre-approved by calling a Capitol Credit Union Loan officer (512-827-2526) or applying online at www.ccutx.org. This will put you in the best possible position to negotiate the best price for the vehicle you want. CCU offers all the products that the dealers sell, such as Guaranteed Asset Protection (GAP) and Mechanical Breakdown Coverage (MBI) at a fraction of the cost that dealers will charge.

3. Close the Deal

Once you have found your new car and negotiated the price, the dealer will send the purchase order to a CCU Loan Officer for a quick, convenient, and paperless loan closing.

CONGRATULATIONS
