STOP PAYMENT

This online stop payment form is used to place a stop payment on a check. Stop payments cannot be made on debit card transactions. For ACH stop payments, please contact your local branch for assistance or call 1-800-464-3150.

A stop payment order for deposit account is effective for six months and may be renewed for an additional six-month period by written request to the Bank within the period during which the stop payment order is effective. Stop payment orders may be subject to a fee in accordance with the [Bank's Schedule of Fees](#). The stop payment order request must be provided to the Bank in such time and in such manner as to allow the Bank reasonable time to act on the request. Verbal stop payment orders cease to be binding after 14 calendar days unless written confirmation is provided to the Bank by the account holder within that 14-day period.

By submitting this online stop payment request, I agree to hold the Bank harmless from and against any losses, claims or costs (including attorney's fees) incurred by (1) payment contrary to this order if such payment occurs otherwise than by a failure or exercise ordinary care, or (2) refusal to make payment of the stopped item. The Bank shall not be liable if as a result of payment of the item subject to this order, other items drawn by me are returned due to insufficient funds. I will notify the Bank promptly of the issuance of a check or item that is a duplicate of the check or item subject to this order, or upon the return of the original check. The Bank shall not be liable for payment of any item subject to the stop payment order upon the expiration or withdrawal of such order, and the Bank may, in its discretion, refuse to honor any such item pending my instructions. I may withdraw this order only in writing or in person at the bank.
