

WALTER H. MARTIN ACHIEVEMENT AWARD

In memory of Walter H. Martin, who was primarily responsible for starting the Credit Union, Sky Federal Credit Union will present one (1) \$1,000.00 scholarship to a 2024 male graduate of Park County. The individual must be a member of Sky Federal Credit Union. The recipient must plan to continue his education formally after graduation from high school.

MARTHA V. HAMPSON ACHIEVEMENT AWARD

In honor of Martha V. Hampson's 36 years of service to the Credit Union, Sky Federal Credit Union will present one (1) \$1,000.00 scholarship to a 2024 female graduate of Park County. The individual must be a member of Sky Federal Credit Union. The recipient must plan to continue her education formally after graduation from high school.

Since the entire population of Park County is eligible for membership in Sky Federal Credit Union, we believe these awards are available to many students. A student, who is not a member of Sky Federal Credit Union, would have to open an account prior to application in order to be eligible for the award. Information regarding membership is available by inquiring at Sky Federal Credit Union.

The deadline for returning your application to Sky Federal Credit Union is **Friday, April 12, 2024**. The applications will then be coded and the names removed before they are given to our Selection Committee for review. The Committee will score all applications. The male and female application with the highest score will each receive a \$1,000.00 grant. The winners will be announced at the Credit Union Annual Meeting of Members. Official presentation of the award to the recipients will take place at the annual awards assembly at your high school.

You will notice that the qualifications for this award are not based on scholastic achievement. Several other areas requiring individual involvement are considered in the selection. Paint a verbal portrait of yourself. Let our Committee know who you are by what you write.

Good Luck,
