

## Initiate Wire

### 1. Menu Options

Cash Management users may log in to AlpineMobile and initiate wire transfers previously created through AlpineOnline banking.

Select the  menu icon, and then choose 'Initiate Wires' from the menu options.

\*\*Subject to dual control restrictions.

### 2. Select Wire

Choose the wire transfer to initiate.

Note: Wires must be created by logging in to your Cash Management account at [www.alpinebank.com](http://www.alpinebank.com)

### 3. Transmit Wire & Confirmation

Enter your wire PIN and 'Transmit' the wire.

Note: You will receive a wire confirmation that includes the confirmation number, accounts, amount and status of the wire.

Wires must be transmitted by 2:00 PM MT on a business day\* or they will be processed on the following business day.

\*Business days: Monday through Friday, excluding Federal holidays.
