Keep Card Access While You Travel This Summer!

Vacations are meant to be relaxing and stress-free, that is until your card gets frozen and you have no other means of funds. The majority of the time, this happens because VISA® notices card transactions in unusual areas and recognizes these as potential fraud. A simple solution to ensure that this doesn't happen to you is to notify your credit union. The Accounting Department can put a travel notice on your debit and credit cards so that VISA® doesn't flag your transactions as fraudulent activity. **Call 800-757-7203 and press #2 for card services or e-mail cardservices@winsouthcu.com**

Six Flags Tickets

Hey, WinSouth members! Six Flags, Hurricane Harbor, and White Water tickets are now available! All ticket sales will be digital. We will not have the physical tickets that you'd typically purchase at our offices. Tickets can be purchased through our website at the following link. <https://www.winsouthcu.com/about-us/news-events.html>
