Neighbor to Neighbor!***

## Off To A Great Start!

We've had an exciting start to spring by celebrating Youth Savings Month in April. Our staff got to spend time volunteering in area schools with the University of Idaho extension office, helping with financial education programs.

Implementing the financial literacy resources we mentioned in the April newsletter has been very exciting! It's been fun opening new youth accounts and seeing their excitement when they learn what they have access to, get their photo taken, and receive their own membership card!

If you came to any of the branches during April or May, you would have seen a wonderful display of artwork as we sponsored a coloring contest for kids 12 and younger. On May 3, the staff from every branch voted on the best 2 color pages and we revealed the winners live, on our Latah Credit Union Facebook page. Joana, age 7, won \$50 to put into a savings account she opened with the help of her grandmother! Arkady, age 11, also won \$50 to put into a savings account! Both girls impressed everyone with color and creativity, but honestly it was hard to pick just two.

We kept the coloring pages up into the middle of May, just so everyone could enjoy them. Thank you for getting your kids off to a great start on their road to financial health. We appreciate the opportunity to serve all members, of all ages!
