January 2, 2023 - New Year's

Latah Credit Union

October 2022

Latah CREDIT UNION

**Strengthening Communities,
Neighbor to Neighbor!**

International Credit Union Day

We are celebrating International Credit Union Day, October 20th. Stop into any Latah Credit Union branch October 1st through the 20th, and update your member information for a chance to win \$50 deposited into your account! New account openings get the same opportunity, so share the credit union movement with others! The drawing will be held October 20th in the Moscow branch and on Facebook Live at 2:00 p.m. (One entry per person)

Carol Feldman Retirement

After 33 years of service with the credit Union, Carol has decided to retire November 1, 2022. Please join us on October 21, 2022, for cake and visiting, from 9:00 am to 5:00 pm. We wish her the best and thanks for all you have done for the credit union.

Fall Coloring Contest

Visit any of the LCU branches or go to the link on our latahcu.coop site and access the color pages for our latest Coloring contest. We will keep this one for kids 12 and under and will have mystery bag prizes for winners at each branch. The contest will run October 1 through October 31 with a Facebook Live winner's reveal on October 31 at 3:00 p.m.

Strengthening Communities

– Neighbor to Neighbor

We believe supporting our community means more than being the people you trust with your finances. During the holiday season, full of celebration, meals and gatherings, other peoples' struggles to provide for themselves and loved ones becomes more evident. Food disparity is especially pronounced when we gather around our abundance at Thanksgiving when many stress about providing basic sustenance. This November, Latah Credit Union will be taking non-perishable food donations for local food banks until the week of Thanksgiving. Information about the distribution will be posted on Facebook and in our branches once we are closer to the date.

And Here We Have Idaho!

It's time to welcome back new and returning students to the University of Idaho! Not having a campus branch is a new experience for us, so we will be looking at ways to reach out to support students with their financial needs. Since we started at the University of Idaho in 1969, many of our members are U of I alumni and/or past employees of the university. Knowing how valued these two institutions are in our community, we encourage our members who know a student at U of I to come in and meet us. The students at University of Idaho are in our field of membership, so regardless of where they live permanently, we can open them a new account, let them know how to access our ATM's, and if they belong to a credit union in their home town that participates in CO-OP Shared Branching, we can help them access their funds in their established account. We have included a link to our website where a new account can be started online and they can see if another credit union participates in the CO-OP Shared Branch network.
