Latah CREDIT UNION

**Strengthening Communities,
Neighbor to Neighbor!**

Out with the Old, In with the New

As we close out 2022, I will be retiring from the Credit Union. Erika Odenborg will be the new President/CEO. She has been with us for 10+ years. Her work in various areas of the credit union and her dedication to the membership makes her the perfect replacement.

I have enjoyed my time at the credit union and will miss the friends I have made along the way. Your conversations were always the highlight of my day. Latah Credit Union would not be the institution we are today without the continued support of the membership. We appreciate the confidence you have in us as your financial institution.

Glenda Hart Scholarship

Every year, from January through the end of March, the LCU Board of Directors accepts applications for the Glenda J. Hart Scholarship. This scholarship was established by the LCU Board of Directors in 2010 to Honor Latah Credit Union's previous long-time President and CEO of 30 years, Glenda J. Hart.

The Credit Union will award two \$2,000 scholarships each year, one to a graduating high school student and one to an existing college student. The scholarship is designed to help the winning students fulfill their goals to obtain a college or technical degree. Please see our website for details or inquire at any branch.
