

Get Money-smart!

# Give, Save, Spend Bags

## Wise Kids Activity Guide

### Supplies Needed

- 3 bags, boxes or jars
- Crayons or Markers
- Scissors
- Tape or glue
- Stickers or colorful duct tape (optional)

### Money tip

The 3 bag system is a great way to teach your child how to organize their money and meet giving, saving and spending goals.

**Give:** Help your child choose a cause that's important to them. The 'give' bag can also be used to buy gifts for others.

**Save:** Create a general rule with your child, such as 30% of their money goes in the 'save' bag to help them prioritize saving.

**Spend:** After giving and saving, the money left goes in the 'spend' bag for items like toys or candy; things your child wants to buy now.

GIVE

SAVE

SPEND

### Instructions

1. Print this Activity Guide
2. Collect all supplies needed
3. Color Oaklee the Owl
4. Write child's name on lines
5. Cut out labels
6. Tape onto each bag
