

Activate your new card now!

Your new INOVA card is enclosed.

Activate your card today by calling 866-438-4694

If your card number changed, please do the following immediately:

- Notify any company you have given permission to for bills or other payments on your previous card with your new card number.
- If you've signed up for INOVA Alerts powered by Visa® with your previous card, simply add your new card to your alerts and remove your old card.
- If you haven't signed up for INOVA Alerts yet, now is the perfect time. It's the best way to keep your money safe!

REV 9/19

INOVA Alerts reach you immediately when you use your INOVA debit and credit card. This is a great way for you to monitor potentially fraudulent activity on your accounts. Alerts also help give you control over your spending.

It's easy to sign up—simply choose the type of alerts you'd like to receive and the transaction amounts that will trigger an alert.

Sign up:

Mobile Wallet

It's Simple— Pay with just a touch

Use your INOVA Federal Debit or Visa® card directly from your iPhone or Android phone to pay for purchases. It is a convenient and secure way to pay with a simple touch of your finger.

Setup is Easy –

Apple Pay - Go to Wallet, tap  and follow the steps to add a new card. Tap next, your bank or card issuer will verify your information. After your bank or issuer verifies your card, tap next.

Google Pay - Install the free Google Pay app, snap a picture of your card from the Google Pay app or enter your card details.

Samsung Pay – Open Samsung Pay, and then tap Get started. Enter a new PIN for Samsung Pay, and then enter it again to confirm. If it's your first time using Samsung Pay, you will be asked to add payment cards.
