INOVA Federal Donates \$1,500 To Michigan City Police Departments Shop with a Cop Outreach Program

Michigan City, IN – INOVA Federal supported the Michigan City Police Departments Shop with a Cop outreach program by donating \$1500 to help heighten crime prevention awareness and interactions with the Michigan City Police Department.

“The Michigan City Police Departments programs are a great asset to the community,” says Stacia Schable, Branch Manager at INOVA Federal. “Increasing positive interactions with our police officers can only help our community, and the Team at INOVA is proud to contribute.”

The Shop with a Cop Program allows children to shop at local area stores to purchase gifts for members of their immediate family, and is just one of many outreach programs offered by police departments nationwide.
