Skip your September loan payment

With United Consumers Credit Union's skip-a-payment program, members with certain loans may put off their September loan payment without penalty!* Simply pay a processing fee of 10% of your loan payment or \$50, whichever is less.

Fill out the form below, which is also available online, and return it to any UCCU office by **Friday, Aug. 18** to see if you qualify.

*Does not apply to mortgage/home equity loans, credit cards, share/CD-secured loans or lines of credit. Account must be open for at least a three-month period with three straight months of on-time payments to qualify. Eligibility based on member credit and other factors. Skip-a-payment fee is payable at the time of application. Regular payments will resume with your October 2023 payment. Interest continues to accrue during deferment period. Loan maturity date will be extended for the number of months of the applied extension. If your auto loan has GAP protection, please contact your insurance carrier to determine how a skip-a-payment may affect your coverage. Offer subject to approval and does not apply to the first payment of any loan. All applicable parties must sign the form. The fee to skip a payment is 10% of your loan payment or \$50, whichever is less. Contact the credit union for complete details.
