## PLAN YOUR 2026 FINANCES WITH EASE

According to a recent WalletHub survey, nearly 3 in 4 people say their financial situation impacts their mental well-being, and 69% of Americans feel insecure about their finances. It is no wonder so many of us are tired of traditional "new year, new budget" advice. Financial wellness does not have to mean strict spreadsheets. It is about taking small, actionable steps to feel more in control.
