Scottish Highlands and Islands

Nothing is as dramatic as the stunning scenery of lush and verdant Scotland. With its **glacial glens**, **mysterious lochs**, and **dramatic coastlines**, Scotland has rightfully served as the beautiful backdrop for many of our favorite dramas, thrillers, and cliffhangers. While James Bond, Harry Potter, and the clans of Outlander have introduced us to this awe-inspiring land, the magnificent **moors**, **mountains**, **woodlands**, and **waterfalls** steal the scenes. See them all on this splendid tour of Scotland on winding roads through the Lowlands, Highlands, and islands to witness the country's breathtaking **castles**, **hallowed battlefields**, and **mysterious ruins**—stopping to catch your breath in the breweries and dizzying distilleries along the way. Spoiler alert—this is the most unspoiled scenery you'll witness in your lifetime.
