CANDY CANE PARADE

Money Dog was front and center at the Candy Cane Parade in Granite City early in December. What a great event to start the holiday season!

Were you there? Did you see Money Dog waving and handing out candy, little rubber ducks, and slap bracelets?

A Visit from Santa

We were so lucky to have Santa Claus come to visit us here at Midwest Members! He gave out some gifts, cookies, and coloring books.

Did you get to stop in and say hello to Santa?

Route 66

Money Dog decided to “get his kicks on Route 66” last fall. This road goes all the way from Chicago to California, and used to be very well traveled for family vacations.

He visited several different towns on the route and took photos with the monuments and HUGE signs.

Have you been to one of these signs? They are so big you can climb and play inside of them.

Can you find the 4 differences?

Draw a picture of winter.

Can you find 4 items that don't belong?
