Pup Crawl (that's a pub crawl + dogs)

The Pup Crawl is an Alton Main Street event that is great fun for dog lovers. Participants are allowed to bring their furry friends to certain pubs in the downtown area and enjoy treats for humans and pups alike. We get to hang out by the Alton Dog Park, next to the registration tent, and interact with lots of adorable canines.

COMMUNITY

Alton River Dragons

The Alton River Dragons college baseball team plays at the Lloyd Hopkins field located within Gordon Moore Park. MMCU sponsored kids' night. We gave out baseball shaped backpacks with some treats inside, a cute red or green stuffed dragon complete with adoption certificate, and replica River Dragons jersey to all kids ages 12 and under. What a great night!

We will also attend the Teddy Bear Toss game. Fans bring new stuffed animals and chuck them onto the field during the first strikeout. Stuffed animals are donated to area organizations.

Grafton Music in the Park

In the same week, we sponsored the Grafton Music in the Park. The threat of rain was too imminent to enjoy an outdoor performance, so we gathered at the American Legion for a wonderful night of tunes from Outlaw Opry.

All-Wheels Drive-In Car Show

In June the All-Wheels Drive-In Car Show celebrated their 29th year in downtown Alton. Tons of beautiful vehicles were on display, and we showed up with goodies to offer those who braved the hot day.

Is Your Credit Report Accurate?

The information in your credit report can affect your buying power and your chance to get a job, rent or buy a place to live, and buy insurance. Credit bureaus sell the information in your report to businesses that use it to decide whether to loan you money, give you credit, offer you insurance, or rent you a home. Some employers use credit reports in hiring decisions. The strength of your credit history also affects how much you will have to pay to borrow money. You'll want to be sure the information in your report is both accurate and complete. Find out by regularly checking your credit report. You have the right to get free copies of your credit report from each of the three major credit bureaus once every 12 months. (That's Experian, Equifax, and TransUnion.) To get your free credit reports, go to AnnualCreditReport.com.

In addition, the three bureaus have permanently extended a program that lets you check your credit report from each once a week for free at AnnualCreditReport.com. Also, anyone in the U.S. can get 6 free credit reports per year through 2026 by visiting the Equifax website or by calling 1-866-349-5191. That's in addition to the one free Equifax report (plus your Experian and TransUnion reports) you can get at AnnualCreditReport.com.

Checking your credit report is also a good way to spot identity theft. That's when someone uses your personal information — like your name and address, credit card or bank account numbers, Social Security number, or medical insurance account numbers — without your permission. They might buy things with your credit cards, get new credit cards in your name, open a phone, electricity, or gas account in your name, steal your tax refund, or use your health insurance to get medical care.
