DISCLAIMER

By signing, you authorize NW Plus Credit Union to extend your final loan payment by one month. Interest will continue to accrue on your loan during the month you skip your payment.

Excludes lines of credit, Visa credit cards, OD Repayments loans, Home Improvement loans and real estate loans.

If you have GAP on your loan, participating in Skipping a Payment could have an adverse effect on your benefits if a claim is filed.

If your loan payment is made via Direct Deposit or Payroll Deduction, the payment will be credited to your account as it is received. If your loan payment is set up via transfer within your NW Plus Online Banking or by *you* from another financial institution (ex: re-occurring bill pay), it is your responsibility to pause or reschedule payments. Each member is allowed to skip a monthly payment one time per year per eligible loan; maximum 7 times during the life of a loan. All loans must be current to qualify. Please allow a minimum of one week for us to process your request. Other restrictions may apply.

\$40 Skip a Payment Fee will be automatically assessed and withdrawn from your primary NW Plus savings account at the time your loan payment is skipped. If the fee is unavailable at the time the Skip a Payment is processed, the Skip a Payment will decline and your payment will be due in full on its intended due date. It is the responsibility of the member to ensure that the \$40 fee is available in the correct savings account to qualify for the Skip a Payment program.
