## A Message From Amy Evans Premier Club Director

Well, we did it again. We survived year two of the pandemic. Congratulations!

I hope this message finds you healthy and hopeful for a better year ahead.

As I look forward to a year full of new possibilities, I have also reflected on the

most important lesson I've learned in the last two years. After caring for my father who had Alzheimer's for 5 years before he passed away in February, I thought I honed my skills in the art of being patient. But the pandemic taught me more about patience than any other experience of my life. Throughout this newsletter, you will find some inspirational quotes about patience. Happy New Year!

## Escorted Travel Offers Peace of Mind

If you contribute the social aspect of the Premier Club as the primary reason you've joined the club, you're not alone. We have numerous club members who spend time with each other outside of bank hosted activities, and that is our goal; to keep people we care about healthy, active and engaged. And joining the Premier Club is a great way to meet new people. Another popular aspect of the club is group travel. And now more than ever group travel offers so many benefits. Some that you have not had to worry about in years past.

As we start to venture outside of our borders and see the world again, having travel experts facilitating your next vacation is key to navigating new travel guidelines and local requirements to ensure you have the time of your life. Even if you choose not to venture overseas, these folks know the ins and outs of travel in their areas and destinations of expertise. From pre-trip testing to vaccination requirements, to contingency planning, our travel partners have your best interest in mind. D.L. Evans Bank only works with tour agencies that have been vetted through Heritage Clubs International. A company who has facilitated bank travel for over 200 banks since 1998. In addition, a D.L. Evans Bank employee is always on tour with you, so you have peace of mind knowing you are in good hands. Please consider joining us on a trip soon!

## Short Adventures Await You in 2022!

As we start planning our adventures for the year to come, we always take into consideration the destinations of choice as voiced by our club members. After all, it is your club. Many of you have asked for more short tours and we're listening. We are in the process of finalizing a few short tours in the coming months:

**Hells Canyon Jet Boat Tour:** North America's deepest gorge is a place of natural beauty and geological wonder. Join us as we tour the Snake River in style.

**Pendleton, Oregon:** The Wild West awaits your arrival. Tour the underground city and enjoy local eateries. Stay at the Wild Horse Resort and Casino.

Call your local club contact to be placed on the list for these fun adventures. More information to come once dates have been established.

**Day trip itineraries will be sent directly from your local club coordinator, as they are specific to your local area.**

## Recipe for a Happy Home

The following recipe was submitted by Joy Storer, our Eastern Idaho Regional Club Director. Her recipe was published in the Premier Club's Cookbook — second edition in the This & That Section.

**4 cups of love**

**2 cups of loyalty**

**3 cups of forgiveness**

**1 cup of friendship**

**5 spoons of tenderness**

**5 spoons of hope**

**4 quarts of faith**

**1 barrel of laughter**

Take love and loyalty, mix it thoroughly with faith. Blend it all with tenderness, kindness, and understanding. Add friendship and hope, sprinkle abundantly with laughter. Bake it with sunshine. Serve daily with generous helpings.

## Club Communications | Join Us On Facebook

For those of you who have helped us save thousands of trees by receiving your club communications via email —thank you! Unfortunately, some of you are missing out on important club communications because we do not have an updated email address for you. Please be sure to notify a Premier Club team member with changes to your email address so that we can continue to keep you informed with important club updates.

Also, we are excited to announce the creation of the Premier Club Facebook Group. This will provide the Bank and its Premier Club members a secure platform to stay connected and share club information, pictures, and event details.

The group will be private and you will have to be invited and approved to join. Look for your invitation on the Bank's Facebook page in February.

**“Two things define you: Your patience when you have nothing and your attitude when you have everything.” - George Bernard Shaw**

**“It is very strange... That the years teach us patience; that the shorter our time, the greater our capacity for waiting.”
