Add External Account ✕

Enter your external bank account login information so we can verify you own the account.

Idaho Central Credit Union

Safely log into your online banking so your account can be verified for use. Your credentials are sent to your bank using the highest encryption standards and are never read or saved.

Enter your Username

Password

[Verify](#)

If you don't want to verify your account instantly, you can [Manually Verify](#) your account in 1 to 3 days with small deposits posted to the account.

A user can click here to bypass entering the username and password. This will prompt verification via micro-deposits.

- Micro-deposits are ready to be validated after 2-3 business days. To Validate the deposits, select “Preferences” and you will see the account you will need to validate.
- Click “Verify”
