Humanitarian Club: Humanitarian Days: Help with these quilt Kits at the Humanitarian Center

Join our community to make a difference for kids who are less fortunate and don't have a place to call home. The goal is to give them a kit of love which includes a handmade winter hat, quilt & pillowcase, hygiene kit, treat bag, meal coupons, heart of love, etc. inside a blue tote to protect the contents. The Humanitarian Center in Rupert is busy trying to finish 250 kits before July 4, 2026. We can help! We will feel the spirit of service, community, and freedom.

We can work, socialize, and enjoy nourishment together on June 18, 2026

Magic Valley Area Humanitarian Center (723 F Street, Rupert, ID) Please come any Tu. or Th. during 10am to 3pm

The Idaho initiative for America250 in Idaho is Idaho's statewide commemoration of the 250th anniversary of the signing of the Declaration of Independence in 1776. The initiative was launched by Governor Brad Little and coordinated through a multi-agency task force. The program focuses on celebrating:

- Idaho's role in American history
- Patriotism and civic engagement
- Volunteerism and community service
- Preservation of Idaho heritage
- Educational and cultural events across the state

Some of the major Idaho America250 initiatives include:

Move250 — a statewide challenge encouraging Idahoans to travel or recreate 250 miles across Idaho by hiking, biking, paddling, scenic byways, snowmobiling, horseback riding, and more.

Year of Volunteerism — a campaign aiming for 250,000 acts of service statewide before July 4, 2026
