

PENNY'S CORNER

HELLO, FRIENDS!

Springtime is my favorite time of year! I enjoy flying in the warm breeze and smelling fresh flowers. I just love being outdoors enjoying nature.

It's also a great time to start saving money! The first step in saving is earning income. Even though you are not old enough for a job like adults, there are plenty of ways you can earn money. Some kids can earn cash by doing extra chores like raking leaves, cleaning the house, folding laundry, and more. Other ways to earn income include hosting a neighborhood bake sale or lemonade stand. See the next page to learn more about Bayou Lemonade Day on May 6.

Once you have earned your money, it's okay to spend a little bit on something you really want but remember to save some for the future as well! Saving allows you to buy something bigger and better later on or be prepared for emergencies. It's always fun to earn and save!
