ELECTRONIC FUND TRANSFERS

The following terms and conditions will govern all electronic fund transfers initiated by you or anyone else you have given access to your accounts, whether by telephone, automated teller machine, ACH network or any other electronic means. You agree to be responsible for all unauthorized Electronic Funds Transfers made from your accounts subject to limitations contained in applicable Federal law. Those limitations on your liability for unauthorized transfers are summarized in the Electronic Fund Transfers Disclosure Statement. You agree that any ATM or Debit Cards issued to you remain our property and may not be transferred or assigned to anyone. Upon our request, you agree to return your ATM or Debit Card to us. We may terminate access to electronic fund transfers or cancel your access devices at any time. Upon such termination, we shall give you notice of termination. The devices may not be used after we cancel them or after they have expired. If we do cancel, you agree to send back your Card to Alive Credit Union, 9790 Touchton Road, Jacksonville, Florida 32246, and give written notice to us. You may terminate access to electronic fund transfers by giving a written notice to us and returning the Card to us.

Termination of the access shall not affect the liability you incurred prior to termination. You must keep your share account and checking account open in order for your access to electronic fund transfers to remain valid. You agree to pay the current charges shown on the Fee Schedule and any future charges that may be approved by Credit Union for the use of electronic fund transfers. You authorize us to take any such fees from any account in which you have an ownership interest or the right to withdraw. We believe that the various means of access to electronic fund transfers will prove to be reliable. However, certain means may not operate properly at all times. We, therefore, may not promise that our systems will always be available for your use. You promise not to attempt to make a transfer when a system tells you or other circumstances give you a reason to believe that the system is closed or is not operating properly due to a technical malfunction or is otherwise unable to make the transfer you desire. You agree that if we notice that your accounts are being used more frequently than usual, or are having larger amounts withdrawn than are usually withdrawn, we may try to contact you to verify that the access to the electronic fund transfers has not fallen into the hands of an unauthorized user. If we do not reach you, we may, in order to attempt avoidance against possible losses, choose to invalidate your access device the next time it is used. If we do, in fact, invalidate the access device, it may be revalidated. Contact us for the particulars involved in revalidating the device. However, you understand that we have no obligation to keep up with the how the account is usually used or to notify you if we notice unusual activity. To initiate transactions via an ATM or Debit Card or telephone response system, you must have a personal identification number (PIN). You agree not to tell the PIN to anyone, not to write the PIN on your Card or do anything else that would cause the Card or PIN to fall into the wrong hands. You agree also to tell us at once if you believe the Card or PIN has been stolen or lost. The fastest way to notify us is by calling (904) 296-1292. You agree that we are not responsible for providing security guards or other security measures at various ATM terminals. If you make a transfer, deposit or payment at a terminal, you agree that the correct amount in the event of a discrepancy between a written receipt or deposit slip will be the amount that we find in the envelope used to make the transaction. You agree that each transaction completed during normal credit union business hours will be posted immediately to your account; transactions received after normal credit union business hours will be posted the next regular credit union business day. You further agree that credit to accounts for noncash items will be conditional until we can collect the item. If we cannot collect the amount of a noncash item, that amount, plus a fee will be deducted from your account. You agree that the electronic fund transfer system shall be used only for the type of transfers and to access only to the accounts that we in advance have approved. If through some error the Card permits you to withdraw funds from an account that you should not be allowed to use, we may charge the amount involved to an account that you can use. Except as changed by this Agreement, electronic fund transfers made by use of the Card and PIN are subject to the rules and agreements contained in your account agreement, signature card and other account rules and regulations for your accounts and this Agreement is made part of those rules and regulations. If we are forced to institute suit against you as a result of a breach by you in this Agreement or as a result of an overdraft, you agree to pay reasonable attorneys' fees plus other costs. In addition to the terms and conditions listed here, you agree that the Electronic Fund Transfers Disclosure Statement shall cover electronic fund transfers made by you.

Florida law and applicable Federal law will govern this Agreement and all transactions under this Agreement.

LIMITATION ON DOLLAR AMOUNTS OF TRANSFERS

SUMMARY OF YOUR LIABILITY FOR UNAUTHORIZED TRANSFERS

Tell us AT ONCE if you believe your card or personal identification (PIN) has (have) been lost or stolen. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your accounts (plus your maximum overdraft line of credit and open-end credit). If you tell the credit union after learning of the loss or theft of your Card, your liability for unauthorized VISA card transactions are zero. For ATM transactions your maximum liability is \$50. For other unauthorized uses of your Card or if you do not tell the Credit Union within two (2) business days after you learn of the loss or theft of your Card, your maximum liability is \$50 (\$500 for ATM transactions). If we determine that you have been grossly negligent or fraudulent in the handling of your account or Card, your liability may increase.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe your card or PIN has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (904) 296-1292 or write to us at Alive Credit Union, 9790 Touchton Road, Jacksonville, Florida 32246.

FEES AND SERVICE CHARGES

There are certain fees and charges for electronic funds transfer services. For a current listing of all applicable fees, see our current Fee Schedule that was provided to you. From time to time the charges may be changed. We will notify you of any changes as required by applicable law.

SUMMARY OF YOUR RIGHT TO RECEIVE DOCUMENTATION OF TRANSFERS

You can receive a receipt at the time you make any transfer to or from your account using one of the ATM terminals. If you have arranged to have direct deposits made to your account at least once every sixty days from the same person or company, you can call (904) 296-1292 to find out whether or not the deposit has been made. You will get a monthly account statement (unless there are no transfers in a particular month). In any case you will get a statement at least quarterly.

SUMMARY OF YOUR RIGHT TO STOP PAYMENTS

If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how: Call us at (904) 296-1292 or write to us at Alive Credit Union, 9790 Touchton Road, Jacksonville, Florida 32246 in time for us to receive your request three days or more before the payment is scheduled to be made. If you call, we may also require that you put your request in writing and get it to us within 14 days after you call. We will charge you a fee for each stop payment order you give. If these regular payments may vary in amount, the person you are going to pay will tell you ten days before each payment when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set). If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

SUMMARY OF CREDIT UNION'S LIABILITY FOR FAILURE TO MAKE TRANSFERS:
