Alive Credit Union Selects Baptist Health Wellness RN Amaris Chrispell as 2021's Healthcare Scholarship Recipient

JACKSONVILLE, FLA. (April 21, 2021) – Alive Credit Union (ACU) has selected Amaris Chrispell MSN, RN, AHN-BC, as this year's Betty M. Collins Memorial Scholarship recipient.

This annual scholarship recognizes and offers financial assistance to a student currently pursuing a career in healthcare from an accredited institution.

Ms. Chrispell is pursuing a Doctorate of Nursing Practice in Psychiatric Mental Health at the University of Florida. She is currently a Wellness RN for Baptist Health working in Corporate & Women's Health. As an expert in holistic health, Chrispell has been a resource and mentor to nursing students, providing them with opportunities to practice in her community.

In response to her award, Chrispell said – *"I am wholeheartedly grateful to be awarded the scholarship in Betty M. Collins' name. Please keep in mind all our men and women in healthcare, education and public safety who are struggling silently. Please pray and advocate for mental health to be destigmatized and that those asking for help to be rewarded with open arms and robust resources. Those who entered these fields have a calling and it is our job to support those who help others in mind, body, spirit, and emotion. Our community needs our caregivers!"*

ACU's healthcare scholarship committee is proud to support the efforts of our members who strive to make a difference in our community, such as Ms. Chrispell.
