Youth Winter Warm Up

Young people on the streets have no refuge from COVID-19. They are exposed to unclean and unsanitary conditions, chronic illness, poor nutrition, and lack a safe place to sleep. They are afraid, and alone.

Through the month of February, we are raising donations to help the Covenant House of Alaska. With your support, struggling kids will receive emergency lifesaving services — food, shelter, clothing, medical care, safety, and love.

For more information or to make a donation please visit our website.
