

## Pioneer Cash Back with Pioneer Saver - Truth In Savings Disclosure

This disclosure contains the rules that govern your deposit account as of June 11, 2026.

### Account Overview:

- Pioneer Cash Back: A reward checking account with no minimum balance that rewards accountholders with cash back on their PIN-based or signature-based debit card purchases and nationwide ATM withdrawal fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.
- Pioneer Saver is a variable rate deposit account with no minimum balance that rewards accountholders with interest when they meet the minimum qualifications associated with their linked Pioneer Cash Back checking account during each Monthly Qualification Cycle.

### Purpose and Expected Use of Account

This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Pioneer Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 12 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Pioneer Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Pioneer Cash Back with Pioneer Saver account, any optional add-on products / services associated with this account will also be terminated at the same time.

If, for whatever reason the Pioneer Saver portion of your account is closed, your account will automatically be converted to a standalone Pioneer Cash Back account and only the Pioneer Cash Back terms and conditions articulated within this disclosure will apply.

### Interest Rate & Annual Percentage Yield (APY)

- **Compounding & Crediting:** Interest will be compounded on a daily basis. Interest will be credited to your Pioneer Saver account on the last day of the current statement cycle. If you close your account before the interest is credited, you will not receive the accrued interest. Interest begin(s) to accrue on the banking day you deposit noncash items (for example, checks).

- **Interest Rate & Annual Percentage Yield:** The Pioneer Saver is a variable rate account. The interest rate and annual percentage yield may change. The interest rate is determined at our discretion and we may change the interest rate on your account at any time, without any limitations, and without notice to you. When your Pioneer Cash Back account qualifications are met during a Monthly Qualification Cycle:
