

**FUNDS AVAILABILITY POLICY DISCLOSURE**

www.citizensbanktrust.com  
Small bank. Big difference.

**PURPOSE OF THIS DISCLOSURE.** Our general policy is to allow you to withdraw funds deposited in an account by the first Business Day after the day of deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first Business Day after the day of deposit. Our complete policy is summarized below.

For purposes of this disclosure, the terms "you"/"your" refer to the customer and the terms "our"/"we"/"us" refer to Citizens Bank & Trust. The term "account" includes any demand deposit, negotiable order of withdrawal account, savings deposit, money market account or other non-time deposit account.

**DETERMINING THE AVAILABILITY OF YOUR DEPOSIT.** The length of the delay varies depending on the type of deposit and is explained below. When we delay your ability to withdraw funds from a deposit, you may not withdraw the funds in cash, and we will not pay checks you have written on your account by using these funds. Even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

When we delay your ability to withdraw funds, the length of the delay is counted in Business Days from the day of your deposit. The term "Business Day" means any day other than a Saturday, Sunday or federally declared legal holiday, and the term "Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all our banking functions.

To establish that a deposit is made on a particular Business Day, we establish a cut-off time. You must make your deposit before the cut-off time for it to be considered to have been made on that Business Day.

- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7 Business Day after the day of your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**HOLDS ON OTHER FUNDS FOR CHECK CASHING.** If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

**HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT.** If we accept a check for deposit that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

In order for these check deposits to be made available according to the funds availability schedule above, the following conditions are required:

**U.S. Treasury Checks.** These checks must be made payable to you and deposited into your account.

**U.S. Postal Service Money Orders; Federal Reserve Bank or Federal Home Loan Bank Checks; State or Local Government Checks; Cashier's, Certified, or Teller's Checks; or Traveler's checks.** These checks must be made payable to you, made in person to one of our employees, and deposited into your account.

**ADDITIONAL DEPOSIT INFORMATION.** Mobile Check Deposit Capture- If you make a deposit on a business day that we are open before 4:00 PM Central time via mobile deposit capture (SnapCheck), we will consider that day to be the day of your deposit. If a deposit is made via mobile deposit capture (SnapCheck) after 4:00 PM Central time, we will consider that the deposit was made on the next business day that we are open.

We authorize and pay transactions using the available balance in your account. We may place a hold on deposited funds in accordance with our Funds Availability Policy, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of any overdraft privilege limit and any available overdraft protection. If you have not given consent for the authorization and payment of overdrafts caused by ATM and everyday debit transactions, the available balance for these transactions is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available overdraft protection, but does not include the overdraft privilege limit if any. If you have given us your prior consent to authorize and pay overdrafts for ATM and everyday debit card transactions, the overdraft privilege limit is included in the available balance for authorizing and paying these transactions.

We will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the excess funds will be added to the available balance in your account. If your account is overdrawn after the funds are added to the available balance and the transaction is posted to the available balance, an overdraft fee may be assessed.
