RIDING THE RAILS

WEST VIRGINIA

3 Days - 2 Nights

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

- Day 1** An early morning departure has you beginning your journey to wild and beautiful **West Virginia** with a leisurely drive through the Allegheny Mountains. Along the way, stop for a visit to **Blackwater Falls State Park**. The park features a spectacular waterfall plunging 63 feet into the Canyon below. It offers an opportunity for some awesome pictures, before continuing to your hotel. Dinner tonight will be at a local restaurant, followed by time for you to relax and enjoy the beauty of the area.
- Day 2** Enjoy breakfast, then depart for a fun-filled day of "riding the rails" through the beautiful countryside. Climb aboard the **Cass Scenic Railroad** and begin the long haul to Bald Knob. Panoramas of the lofty Appalachians become more beautiful as the train climbs higher and higher. Passengers suddenly realize they are entering a completely different world, mainly because of the change in trees, flowers and atmosphere. By climbing from Cass to Bald Knob on Back Allegheny Mountain, you have made the equivalent to an 800 mile trip to Canada in climate because of the higher altitude. Here are found spruce trees, snowshoe hares and other plants and animals typical in the far north. The rustic overlook affords one of the most awesome, overwhelming spectacles in the east. A "King of the Road" **hobo lunch** will be provided to enjoy with your ride as well. A ride on the Cass Scenic Railroad is an unforgettable experience. At the conclusion of the train tour, your group will enjoy a chance to stop at the Rail & Trail Store before departing for **dinner and an evening of entertainment**.
- Day 3** Following breakfast, check out and depart for a visit to the **Seneca Caverns**. The caverns contain an abundance of flowing stone, gleaming creamy white stone that looks like a rock waterfall! The build up of minerals from this steady flow of water builds beautiful monuments of stone that is as breathtaking as the mountain scenery above ground. Some of the various formations you will see include stalagmites, stalactites, columns, travertine, rim stone, and cave coral. After your exciting visit, depart for home with lasting memories of your rail trip to **West Virginia**.
