Spotlight on Santa Fe tour will be July 11—16, 2021

and

Pacific Northwest & California tour will be October 3—10, 2021

It is time to start planning for your next adventure!

Sign-up will be available for both tours at our Preview Parties. Either one or both of these tours are a great way to get back to the things in life we enjoy so much. As our tag line says, we are ready to escape, explore and experience travel adventures again.

Santa Fe has been a top-selling destination for several years now. You will unpack once and enjoy a great stay at the Drury Plaza Hotel, rated #3 out of 64 hotels in Santa Fe.

Highlights include a walking tour of Santa Fe Plaza, open-air Tram Tour, the Turquoise Trail, Allan Houser Sculpture Garden, Bandelier National Monument, Loretto Chapel, El Santuario de Chimayo, Choice on tour, hands on experience at the Santa Fe School of cooking and much more.

Pacific Northwest and California is also a great tour. We had a group do this same tour years ago and it was one of the best.

You will fly into Seattle, Washington. You will enjoy a welcome dinner with fellow travelers that evening.

The next morning, you will explore

Seattle's colorful waterfront area and the famous Pike's Place. Followed by traveling south through Olympia and stopping at the Visitor Center on Mount St. Helens. You will continue on to Portland, Oregon for a two-night stay in the picturesque "City of Roses".

Tuesday morning you will drive along the Mt. Hood route to the lush Columbia River Gorge and magnificent Multnomah Falls with its 611-foot roaring waterfall. Later, enjoy a wine-tasting followed by a visit to a lavender farm. Upon your return to Portland you have a choice of tours: You may explore Portland by foot and streetcar with a local guide or you may visit the International Rose Test Garden and walk among the thousands of roses. Afterward, enjoy dinner at a local restaurant.

On the way to the beautiful Oregon Coast, you will journey through the Willamette Valley. Known for wines that rival Napa, this was once the "Promised Land" for the pioneers who followed the Oregon Trail. The coastline is one of the most beautiful I have ever seen. You will stop for a visit at the historic Yaquina Head Lighthouse.

You will also stop at the interpretive center or make your way down to Cobble Beach to explore the tide pools of colorful sea life.

You will continue with a stop at the seaside port of Newport before ending your day at North Bend's lively boardwalk on Coos Bay.

Thursday, you will begin the day at Bandon State Natural Area as you travel along the striking Beach Loop, you will see the famous, Bandon Rocks and Face Rock. Then you will enjoy a spectacular cruise on the Rogue River, where you will have a chance to see cormorants, seals, blue heron and bald eagles. On our last tour, we even saw momma & baby bears. You then continue through awesome Redwood National Park.

The following day, you will return to the majestic redwood forest as you travel the "Avenue of the Giants". Next you spend time at the legendary Golden Gate Bridge before an evening on your own.

On your final tour day, you will enjoy a guided tour of San Francisco and its famous landmarks before a farewell lunch on colorful Pier 39. The remainder of the day is at your leisure. The following day you will fly home with your wonderful memories of a great tour.

This incredible price includes 23 meals, 12 nights lodging, guided tours of Montreal and Quebec, guided tour of the beautiful Island of Coudres. Whale Watching on the calm waters of Bay St. Catherine and more.

You will enjoy the French charm and stunning beauty of Old Quebec and the Charlevoix region before ferrying to the Isle of Coudres.

The "Discover the Whales" tour will be the highlight of this tour. Baie-Saint-Catherine is known for the endangered Beluga whales and they are very easy to distinguish due to its white color. But there are Minke, Fin, Humpback, Sperm and Blue whales in these waters also.

Other highlights on this great motor coach tour include Montmorency Falls (98 feet higher than Niagara Falls), the Notre Dame Basilica, President Taft National Historic site and Kentuck Derby Museum just to name a few.
