 Kasasa Cash BackYour interest rate and annual percentage yield may change.
At the Bank's discretion, we may change the interest rate on your account at any time.
There are no maximum or minimum interest rate limits for this account.

## Compounding and Crediting

Interest will be compounded monthly and will be credited to your account monthly
If you close your account before interest is credited, you will not receive the accrued interest.

## Balance Computation Method

We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day. The daily balance that we use when calculating interest is the collected balance. That means we only include those funds for which we have actually received payment when we determine the balance on which interest is paid. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

## Minimum Balance Requirements

$\$ 100$ minimum deposit is required to open a Kasasa account. If opening a Kasasa Saver account with a Kasasa Cash or Kasasa Cash Back, the required $\$ 100$ to open the account may be used to open both accounts. If a Kasasa Cash or Kasasa Cash Back account is already active for a customer, then no minimum deposit is required to open this account.
No Monthly Minimum Balance to maintain

## Transaction Limitations

You may make six (6) withdrawals or transfers from your account each four (4) week or similar period. If by preauthorized or automatic transfer or telephonic (including data transmission) agreement, order or instruction. These transfers may be made by draft made by the depositor and payable to third parties. Transfers and withdrawals made in person, by messenger, by mail or at an ATM are unlimited.
