

COMMUNITY BANK OF RAYMORE EMERALD CLUB MEETING FEBRUARY 9, 2022

We were honored to have as our guest speaker, Cass County Sheriff, Jeff Weber. Sheriff Weber has been in law enforcement with the county for 31 years.

Weber informed us that Cass County is the fifth fastest growing county in Missouri. With good growth also comes bad growth. To keep up with the rising crime rate, the Cass County Sheriff's Office has purchased land on the north side of Belton to build a "hub" that will facilitate county law enforcement.

Also, Sheriff Weber, with other county officials, have established the Cass County Crime Coalition that will consist of mayors from all the towns in Cass County. This coalition will stand together to make a change to bring pressure to judges and law officials to make sure proper considerations are made according to the crimes committed.

A big "Thank You" to Sheriff Weber and assistant Jerri Lynn for coming to our meeting.
