

ALL IN ONE DISCLOSURE ADDENDUM Kasasa Cash ® and Kasasa Saver ® Truth In Savings Disclosures

The Kasasa Cash account is a variable rate checking account with no minimum balance or maintenance fees which rewards members with dividends and nationwide ATM fee refunds when the qualifications of the account are met during the Monthly Qualification Cycle.

Rate and Annual Percentage Yield:

The dividend rate and annual percentage yield may change at any time, as determined by the credit union board of directors.

APY = Annual Percentage Yield. APYs accurate as of 03/01/2024.

If Kasasa Cash account qualifications are met during a Monthly Qualification Cycle:

Daily balances of up to and including \$10,000.00 receive an APY of 5.25 % with a dividend rate of 5.13 %; daily balances over 10,000.00 earn 0.25 % APY and a dividend rate of 0.25 % on the portion of the daily balance over \$10,000.00, resulting in a range of 5.25 % to 0.70 % blended APY depending on the account's daily balance.

APY calculations are based on an assumed balance of \$10,000.00 + \$100,000 in your Kasasa Cash account and an assumed statement cycle of thirty-one (31) days.

The account will receive ATM Fee reimbursements up to a maximum of \$25.00 for nationwide ATM withdrawal fees incurred within your Kasasa Cash account during the Monthly Qualification Cycle in which it qualified. **ATM fee reimbursements only apply to Kasasa Cash transactions via ATM. Any Kasasa Saver products ATM transaction fees are not reimbursed nor refunded. For individual ATM fees \$5.00 or greater, please contact St. Mary's Credit Union to request your refund (your request may be denied if you do not meet the qualifications during the Monthly Qualification Cycle or if you have reached the maximum ATM fee refund of \$25.00).**

When Kasasa Cash account qualifications are not met, nationwide ATM withdrawal fees will not be reimbursed and the entire daily balance in the Kasasa Cash account will earn 0.05% APY.
