

Katie Mullahy Quinn

Owner – Mullahy's Cheese Shop
Downtown Hudson, Massachusetts

Ten years ago, Katie Quinn opened Mullahy's Cheese Shop in downtown Hudson, MA, with a passion for bringing people together and really good food, specifically cheese. After about 5 years, she realized that it was time for Mullahy's to grow, and she reached out to Armand at St. Mary's Credit Union.

"Truth be told, the first time we met, they actually 100% couldn't help me. Armand actually found me somebody from another place to get my road started. But then, once I could turn it over, I did. And now I've done a couple of SBAs with Armand and St. Mary's, and here we are!"

When Katie finally secured those SBA loans with Armand, she was able to expand her physical footprint, acquire a new walk-in, a second cooler, and build out Mullahy's wine room with custom shelving and more. "They helped us grow and get where we need to be."

Because of the member-first approach and all of the guidance and support Armand gave Katie in those early days, Katie has become a 'Super Fan' and sends other business owners to SMCU when they're looking to grow.
