ST. MARY'S CREDIT UNION'S RIGHT TO TERMINATE

St. Mary's Credit Union reserves the right to terminate this Agreement and your access to the Service, in whole or in part, at any time.

YOUR RIGHT TO TERMINATE

You may cancel your Service at any time by providing us with written notice by postal mail, or fax, in accordance with the instructions and address set forth below. For Consumers, if you have designated a joint account as one of the accounts you may access with your Service and you notify us that you wish to terminate your Service, then only your Service, your User ID and your password will be suspended. Other joint accountholders must notify us to suspend their own Service, User ID and password. Your access to the Service will be suspended within 3 business days of our receipt of your instructions to cancel the Service. You will remain responsible for all outstanding fees and charges incurred in connection with the Service. You may request that we no longer provide you with access to the Bill Payment feature by providing us notice in accordance with the instructions as set forth in the Method of Notification section.

ADDITIONAL INFORMATION REQUIRED BY MASSACHUSETTS LAW

Any documentation provided to you which indicates that an electronic fund transfer was made to another person shall be admissible as evidence of the transfer and shall constitute prima-facie proof that the transfer was made.

The initiation by you of certain electronic fund transfers from your account will effectively eliminate your ability to stop payment of the transfer.

Unless otherwise provided in this agreement, you (the consumer) may not stop payment of the electronic fund transfers, therefore you should not employ electronic access for purchases or services unless you are satisfied that you will not need to stop payment.

CONFIDENTIALITY

In order that your privacy may be protected, we will not disclose any information about you or your account to any person, organization, or agency except:

1. For certain routine disclosures necessary for the completion of a transfer; or
2. For verification of the existence and condition of your account for a credit bureau or merchant; or
3. To persons authorized by law in the course of their official duties; or
4. To our employees, auditors, service providers, attorneys or collection agents in the course of their duties; or
5. Pursuant to a court order or lawful subpoena; or
6. To a consumer reporting agency; or
7. By your written authorization which shall automatically expire 45 days after our receipt of your authorization.

Please see our Privacy disclosure for further information.

WHAT TO DO IN CASE OF ERRORS OR QUESTIONS

In case of errors or questions about your electronic fund transfers, or if you need more information about a transaction, please call our Member Solutions Center at 1-866-585-7628 or send written notice to: Member Solutions Center, St. Mary's Credit Union, PO Box 729, Marlborough, MA 01752, as soon possible.

FOR CONSUMER ACCOUNTS ONLY- We must hear from you no later than 60 days after the date that we transmitted to you the FIRST periodic statement on which the problem or error appeared.

When you contact us, please be ready to:

1. Provide us with your name and account number,
2. Tell us the date and dollar amount of the suspected transaction error, and
3. Describe the error or the transfer that you are unsure about and explain as clearly as you can why you believe an error exists or why you need further information.

If you inform St. Mary's Credit Union of an error verbally, we require that you send us your complaint or question in writing within 10 business days of the initial verbal notification using an error resolution form, which will be provided to you by the Credit Union.

We will determine whether an error occurred within 10 business days after we hear from you and if an error is discovered we will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we do not receive written notification of the error within 10 business days, we may not provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts*, we may take up to 20 business days to provisionally credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send a written explanation. You may ask for copies of the documents that were used in the investigation.

*Your account is considered a new account for the first 30 days after the first deposit is made, unless each of the account holders already has an established account with St. Mary's Credit Union prior to the new account being opened.

MEMBER LIABILITY (FOR CONSUMER ACCOUNTS ONLY)

You should notify us immediately if you believe your password or card has been lost or stolen, or if you believe there have been any unauthorized transactions, or if you believe that an electronic fund transfer has been made without your permission on any of your accounts. Telephoning is the best way of keeping your losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). To notify us during business days that we are open, call 1-866-585-7628, or send us notice by fax, or mail as described in the Method of Notification contained herein. If you tell us within 2 business days after you learn of the loss or theft of your card or password, you can lose no more than \$50 if someone used your card or password without your permission during that time period.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or password but you notify SMCU of the loss within 60 days of the transmittal of the periodic statement to you, and if we can prove we could have stopped someone from using your card or password without your permission if you had told us sooner, then you could lose as much as \$50.

Also, if your periodic statement shows transfers that you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within 60 days after transmittal of the statement to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

However, if you use these Services for any business activity, you assume all risk of loss for unauthorized transfers and payments. You must establish your own internal security procedures for employees you authorize to use the Services and you must prevent all unauthorized use by other employees or persons.

CHANGES IN TERMS

At any time, we may change the terms of this Agreement. If the change would result in increased fees for any Credit Union service, or increased liability for you, we agree to give you notice at least 30 days before the effective date of any such change, unless an immediate change is necessary to maintain the security of an account or our electronic fund transfer system. If advance notice of the change is not required, and disclosure of said change does not jeopardize the security of an account or of the Service, we will notify you of said change within 30 days of the change becoming effective. To the extent permitted by applicable law, if you have previously agreed to receive notices and disclosures electronically, we will forward such notices to you by e-mail or post such notices on our website and alert you by e-mail of the posting of such notice. Your use of any or all features of the Service after the effective date of the notice indicates your acceptance of the change in terms.

OTHER ITEMS

You agree to comply with all current and future operating procedures utilized by St. Mary's Credit Union for the processing of transactions.

You agree to cooperate with St. Mary's Credit Union in the investigation of any unusual transactions, poor image quality of transmissions, and any other claims at your own cost which may include the production upon request of any originals or copies of items deposited and any records relating to such items and transmissions that are in your possession.
