New Car or New Payment We've got Auto Loans to Fit

At MariSol, we want our members to afford the car they love or need. Unlike dealership financing, our loans offer great rates and flexible terms with no contract surprises. Dealers are always looking to add more money to their pockets, while MariSol has your best interest at heart and always will.

If you'd like, MariSol can help you bypass high-pressure dealer financing tactics with a pre-approved auto loan. Or, skip the dealer and shop from the comfort of your home. We offer our hassle-free Member Auto Shopping Center where you can browse online for new or pre-owned vehicles at marisolcu.org. Before you shop, get pre-approved, so you know how much car you can afford.

If you've already financed your car elsewhere, talk to us to see if we can save you money with a lower rate, payment, or term.

New and Pre-owned Rates as low as
2.50% APR*

For more information or to apply for a loan, call **602-252-6831** or visit marisolcu.org.

*APR- Annual Percentage Rate. All loan applications and rates are subject to approval. The interest rate is 3.50% APR; if the payment is made from an automatic transfer from a MariSol account or by an electronic transfer, then a 1.00% discount will apply, the rate will be reduced to 2.50%. The payment on a \$20,000 loan at 2.50% for 48 months is \$438.30. Rates for auto loans can be adjusted for factors such as model year, term, loan to value and excessive mileage. Limited time offer and subject to change without notice.

Annual Meeting – A Call for Candidates!

Help Shape the Future of Your Credit Union.

Your Board of Directors is made up of member volunteers. They are your co-workers, friends, or family. They choose to serve because they believe in the fundamental principle of a cooperative financial organization that serves its members. Are you ready to serve?

Three positions serving a three-year term are open for the MariSol Federal Credit Union's Board of Directors. Eligibility requirements are:

1. A director candidate must have served a minimum of one (1) year on a MariSol Federal Credit Union committee.
2. You must meet the financial responsibilities, as stated in the Volunteer Policy. A copy of the Volunteer Policy is available upon request. Please email rhampton@marisolcu.org.
3. You must be 18 years of age.

Anyone interested must submit a written letter of intent and a completed MariSol Volunteer Application to the attention of Rusty Hampton. To obtain a MariSol Volunteer Application, email rhampton@marisolcu.org. All requests to be received by Thursday, January 28, 2021 by mail or emailed to rhampton@marisolcu.org

The two incumbent Board members running are:

My name is **Laura Weygandt**, and I have served on the MariSol Board for eight years and the MariSol Supervisory Committee for nine years. I have over 25 years of experience in the financial services industry, and I am proud to be part of the MariSol family. I am honored to serve on the MariSol board by offering guidance and support to the MariSol staff, and contribute to improving the communities that they serve. Thank you for your consideration to represent you.

My name is **Lisa Bernhardt**. I have served on the Board since 2009 and am seeking another term so that I can continue to be a part of the good work MariSol does for its members and the communities in which we live. The past year has been a testament to that commitment, and I am proud to be associated with MariSol. I currently serve as Board Chair and would be honored to continue to represent the credit union family as we strive to empower our members through financial inclusion by access to affordable and equitable financial solutions.

Quickly Transfer Funds between MariSol and Other Banks or Credit Unions

MariSol members can now transfer funds to and from other U.S. financial institutions using our Online and Mobile Banking platform. **It is a FREE service!**

Here's how to set up Account to Account Transfers (A2A):

- Visit www.marisolcu.org then log in to your MariSol Online Banking Account.
- Click on the Accounts tab in the upper left corner, then select Account to Account Transfer (A2A) from the drop-down menu.
- You will need the External institution's routing number, and a checking or savings account number (information available on a check).
- Once you enter the information, MariSol will generate two micro-deposits (under \$1.00) and send them to your External Account, which may take up to 48 hours.
- After the deposits are posted, log back into online banking, verify these amounts before you begin transferring money to or from the External Account.
