The Tri-County Bank Mobile

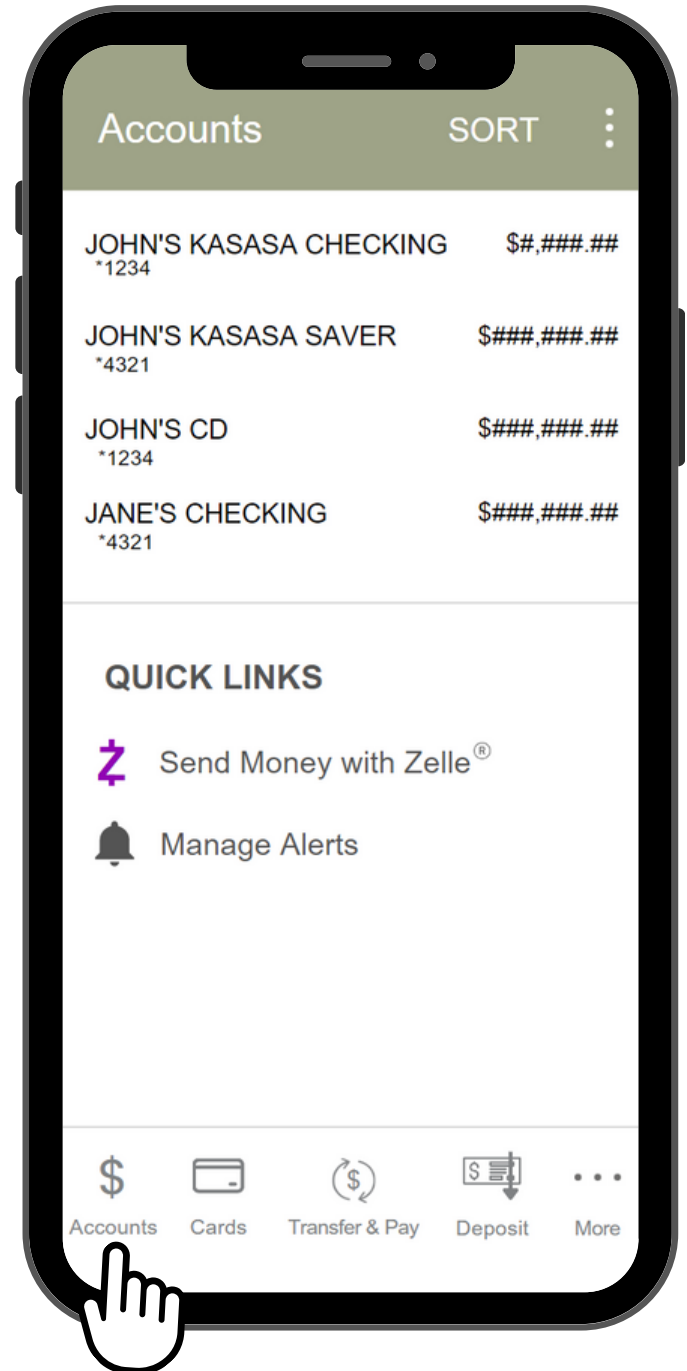

# 10

Enter the login username and password you made when you enrolled in online banking on our website.

# 11

Once you're logged in, you will be taken to the "Accounts" screen. You can glance over your balances, manage your debit card(s), make deposits, pay bills, transfer money, review transactions, and more.

# 12

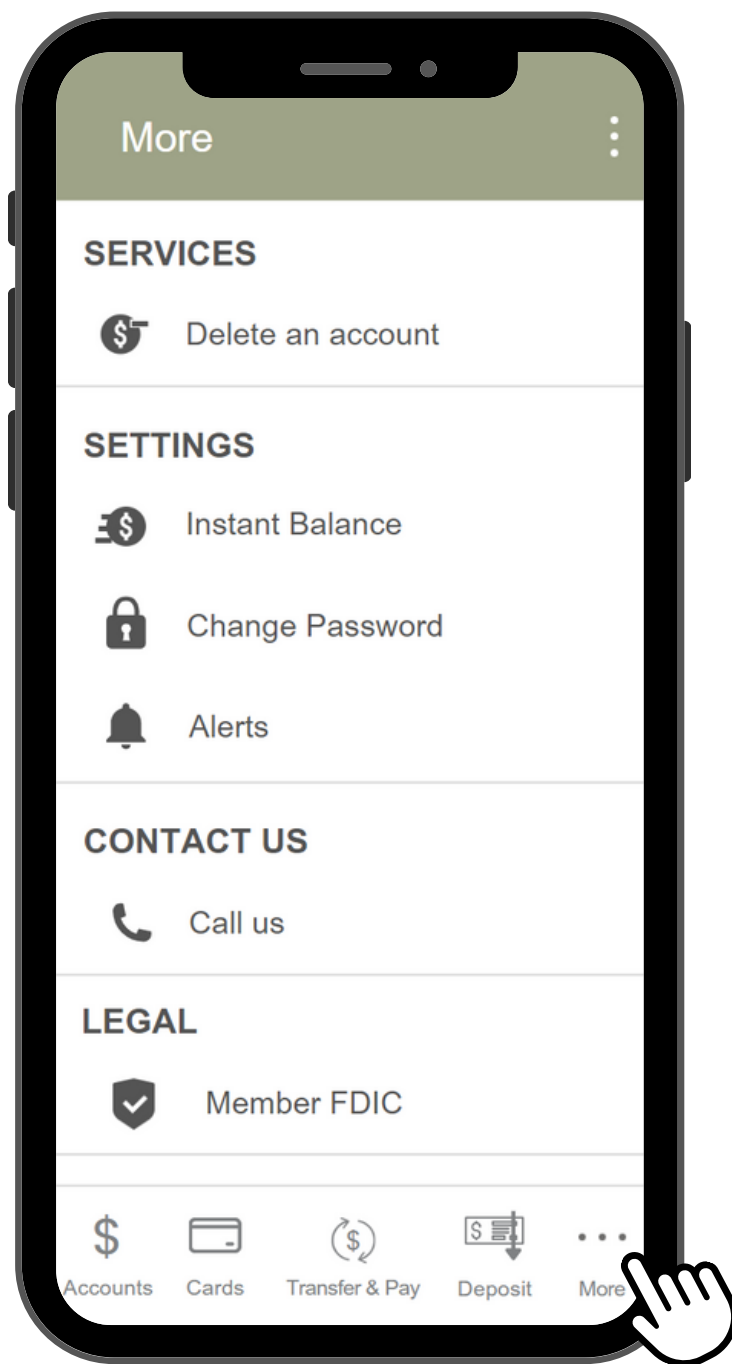

Need to make a deposit?  
You must first contact the  
institution to request the  
Mobile Remote Deposit Capture  
feature be turned on for your  
account.

Once turned on, just tap the  
“Deposit” button at the bottom of  
your screen. You can deposit a  
check with the snap of a photo.

# 13

The “More” button is where you will find additional services, our contact information, and other settings. From this page, you can delete an account, change your password, access your instant balance and alerts, and more. It’s simple, yet powerful account management at your fingertips.

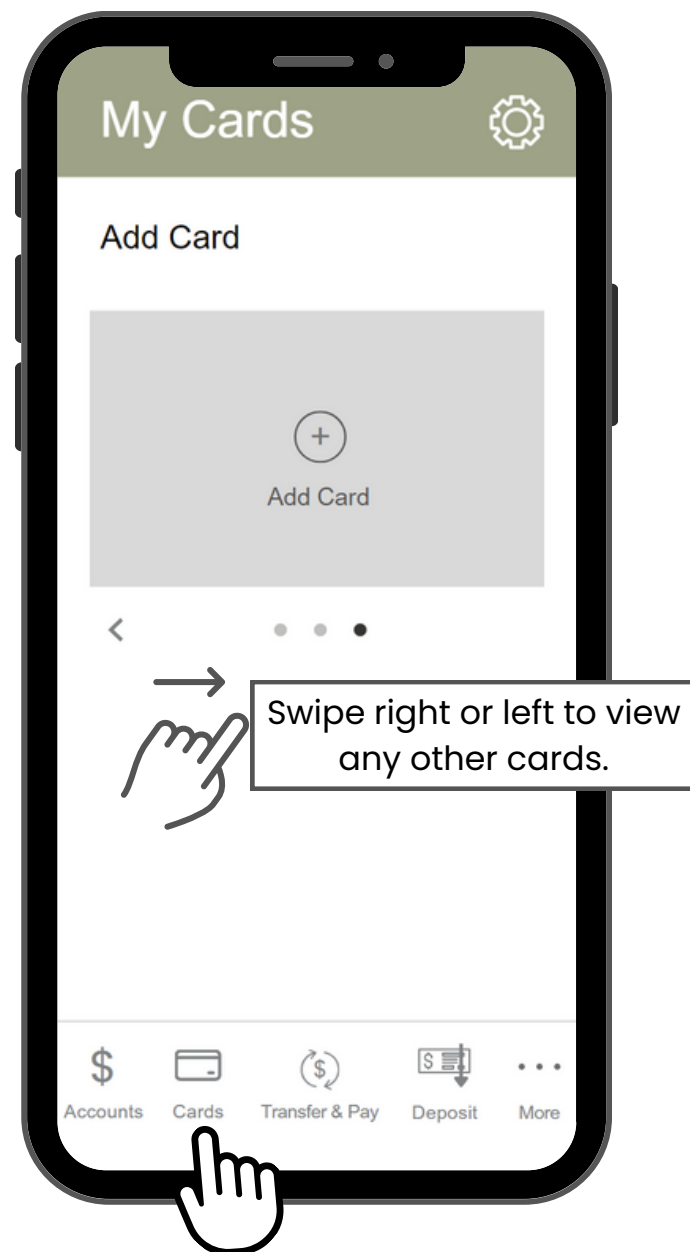

# Using our Card Management Features

## 14

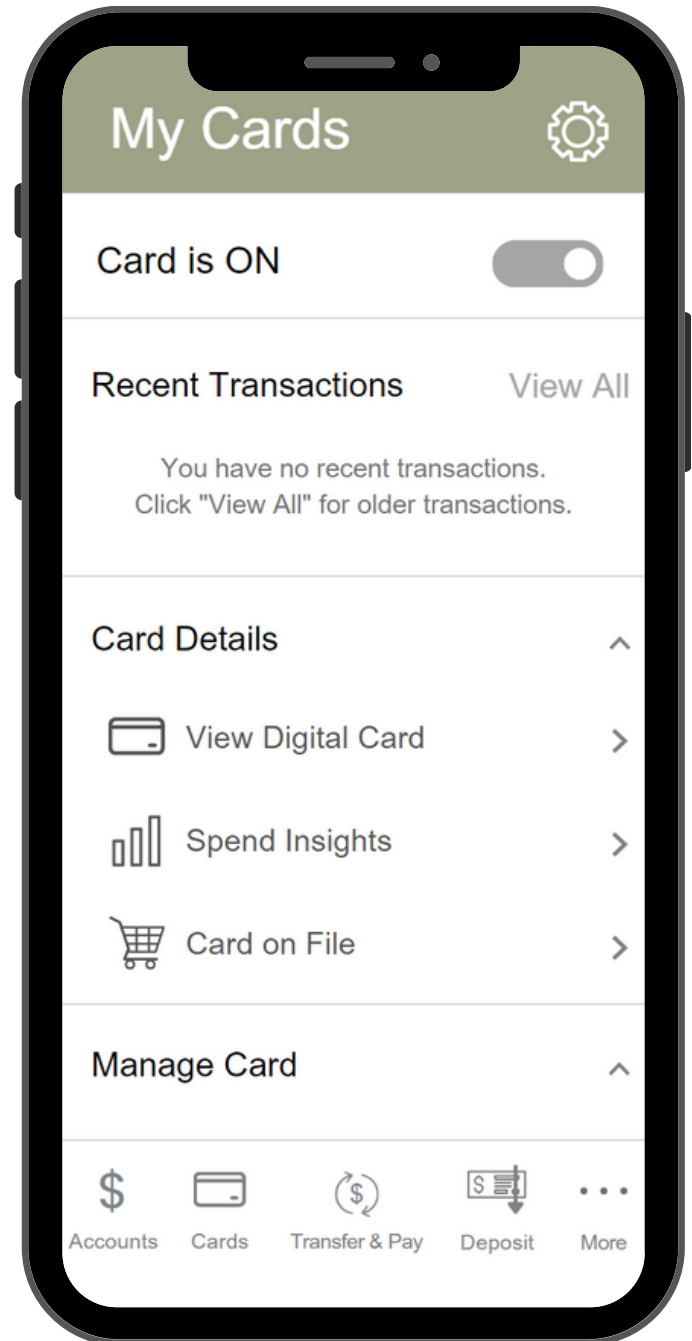

Once logged in, tap the “Cards” icon at the bottom of the screen.

From here you can add a debit card, or manage cards already showing on your accounts.

# 15

Scroll down on the card page to turn your card on or off, view card details, set up controls and alerts, manage travel plans, and more.
